Daily Bible Reading Guide for...

Real People
Serving the *Real* God!

Please use this guide to help you spend daily time in the Word of God. The readings are designed to help you read the entire Bible in one year. Each year, I use the reading chart to mark sections I have read, so that during the year (or a certain period of time) I know that I am being exposed to the "whole counsel" of the Word of God. I keep a chart in all of the Bibles I use regularly. This allows me to chart my reading in each version or language, and also to integrate all of my reading charts toward the end of the year if I wish to do so.

You may use the chart to read sections of the Bible more rapidly than annually. For example, a summer reading program might require that you three or four sections each day. Use the guide the fit your needs. I pray it will help you spend regular time in God's Word and in prayer.
