

Reaping What We Sow
Galatians 6
By Bob Young

1. We reap....
 - What we sow
 - Because we sow
 - More than we sow

2. We reap after we sow.
 - There is always a “lag”—this is especially important
 - We keep on sowing even when it seems there is no response.
 - We do not grow weary, the reaping is in God’s due time.

3. Sometimes, we reap what others sow
 - We reap because others sowed before us
