

Come Before Winter
2 Timothy 4:4-18
Posted by Bob Young¹

Note the urgency of the text, the threats that were part of Paul's experience: impending death, departure of friends, uncertainty of future

I. Paul is unworried (4-8)
Past, present, future

II. Paul is unpretentious (9-13)
Need something for my spirit
Need something for my body
Need something for my soul—books, parchments

III. Paul is unselfish (16-18, 14-15)
Forgave
Fortified
Focused
Faithful
