### A Sermon: Good News!

By Bob Young

[Note: this sermon includes points which could be used by any, but the illustrations are personal.]

#### Introduction

The Bible is God's revelation; above all, especially in the Gospels. God reveals himself

→ God's Three Big Incredible Ideas

Christ, church, Christians

Saved in/through Christ (Gospels), united in the church, and transformed for good works (Acts/Letters)

The wisdom of God is to human beings mere folly

God recreates his creation; those who "were not" now "are" (Acts)

- → Power of....grace/gospel/preaching, preach/teach/heal, word; all show power of God
- → This sermon is autobiographical, generally chronological
- → Readers can appreciate the main points without the details of the illustrations
